- Pay in advance. This can be done only with cash and the exact amount (no change!)
- Training only possible for members of VRCA (Vereniging Riders Club Asten).
- Trucks in the parking lot must park at sufficient distance from each other so there can always be kept a sufficient distance when saddling the horses.
- Always follow the instructions of employees of Manege Heijligers.
- Always keep sufficient distance (min. 1,5 meters) from other people.
- If you have complaints yourself (such as fever, cough or cold) or if a family member has a fever you may not come to train.
- Wash your hands before and after your visit to our accommodation with water and soap
- cough and sneeze in the inside of your elbow
